# JAS. SALISBURY WINS TENNIS CHAMPIONSHIP

Defeats His Brother Walker in Best Contest of Tournament.

In a battle for the State champion-ship in tennis, James Salisbury defeat-ed his brother, Walker, in one of the most beautiful contests ever witnessed in this section. To many the result was a surprise. Those who have was a surprise. Those who have watched the work of Walker through-out the preliminary, semi-final and final contests of the tournament had come to believe him the peer of his

But Walker's lightning drives and his slashing returns were yesterday handed to one possessed of the skill and the reserve power required to return them. James Salisbury won. While his brother at times played perhaps a more dashing and brilliant game, the steady work of James brought home victory in the end. The reward is the privilege to hold for one year the beautiful cup offered by Boyd Park. Permanent possession of this trophy cup is secured by victory in three championship matches.

James took the first set by a score of 8-6. At first the players took the games alternately and tied at 5-5. It was a tie at 6-6, but after that Jimmy forged slowly ahead and won by a scored for the store of the st

score of 8-6.

The second set was easy for James. Warming up early in the contest, he fairly played his brother off his feet, winning by 6-0. Walker won the third set by 7-5. It was during this set that Walker seemed to take a brace and played brilliant tennis. After a short rest the final set was played, James winning easily by 6-0.

At the close of the championship contest it was announced that a game of doubles will be played today be-

of doubles will be played today be-iween Carl Roberts and James Salls-bury vs. Frank Roberts and Walker Salisbury. This combination should result in some of the fastest tennis ever seen here.

After this announcement followed

the presentation of the trophy cups Some beautiful silver steins were presented the Salisbury brothers, the winners of the doubles; James Salis-bury was presented the trophy cup for the singles; Carlos Roberts, a leather-bound tankard for making the inals in the singles. Rodney Badger, a trophy for making the semi-finals, and Dr. Richards, a handsome cup for making the semi-finals in the singles.

The officials of the game yesterday morning were: D. C. Roberts, referee;

# ATTEL WINS HIS FIGHT WITH NEIL

Awarded the Decision at the End of Twentieth Round. .

GREATEST BATTLE EVER SEEN IN COAST CITY

Neil' Face Battered Black and Blue, Eye Closed Early in Contest.

LOS ANGELES, July 4.-Abe Attell, champion featherweight of America, won twenty-round battle from Frankle Neil the bantamweight champion, before the Pacific Athletic club here this afternoon. It was probably the greatest fight ever seen in Los Angeles. Attell showed to great advantage with his remarkable cleverness and he landed six blows to Neil's left eye was closed early in the contest and his face bat-tered black and blue. Nell, however, ap-peared the strongest throughout the fight and his blows, when they landed, had force behind them.

Attell Was Clever.

Attell's cleverness in covering up and side-stepping his opponent's victous swings saved him repeatedly. The last two rounds were fought by both men with fierceness and Nell landed more blows in these two rounds than in nearly all the balance of the fight. The men slugged at each other during these rounds and fought head to head slugging at each other's face. The decision of Referee Eyton was a popular one.

Preliminaries Were Brief. The preliminaries began at 2:30 o'clock. The first one between Tommy Leahy and Joe Youngs, went six rounds to a draw. The next was between Billy Walsh and Montana Kid, both local fighters. They fought six rounds at 133 pounds. Montana Kid was awarded the decision at the conclusion of the contest.

# GOOD RACES GIVEN AT CALDER'S PARK

Former Race Track Is Visited by a Big Crowd of Fans.

The old worm-eaten grand-stand and judges stand at Calder's park yesterday put on an appearance such as has not usen seen there for many a long day. The half-mile trapk, which was at one time the scene of great horse-racing events, but which has since been entirely given over to weeds, was once more the scene of lively contests with the ponies.

That the game is still far from dead was shown by the crowd of fully 1500 which crowded into the grand-stand and bleachers and lined up along the fence for a distance of about an eighth of a mile. The races were not of the nature seen in by-gone days on the old circuit, being of the simple country fashion throughout

the day, but these three events were interesting and fast enough to satisfy the crowd.

The first go was a mile pacing race, between Alzema, owned by H. Harker of Murray, and Sammie J. owned by C. Jones of Taylorsville. The purse was \$20. The two horses lunged forward at the start and for the first half-mile made a very pretty neck to neck race. Sammie J. broke at the first half-mile and was left far in the back-ground before he could recover his pace. Sammie was stopped by his driver and started back. Alzema continuing to recoff the remaining half-mile. Suddenly Sammies driver changed his mind, and wheeling around again, started after Alzema. The result was that at the finish of the race the two horses came dashing in neck and neck. Alzema won by half a length.

Rose, owned by Ed Davis, and Little Dutch, owned by Charile Powell, were the next on the list, their stunt being a half-mile go for a side bet of \$50. Little Dutch won the event after a close and exciting race. The time was 1.95. The third and most exciting event of all was the mile pacing race between H. Harker's Alzema and C. Jones's Sammie J. Alzema captured first money in 1.52. It was a pretty neck-to-neck finish.

two lengths. Time, 7 minutes 3 seconds.

The Belgians and Trinity Hall will thus contest in the final for the grand challenge cup tomorrow.

The Trinity Hall-Argonaut race was magnificent. For the first quarter of a mile the boats noses were level. Trinity Hall then slowly rorged to the front. Half the distance was reached in 3 minutes, 25 seconds. The Canadians then were hardly a quarter of a length in the rear and making desperate emorts to overhaul their opponents, but the repeated sprints of the visitors were unavailing. The Trinity Hall crew always responded with a slight quickening of their stroke and held the lead to the end, after one of the best races ever witnessed at Henley.

As the time of this heat was six seconds slower than the semi-final in which the Belgians were easy victors, it now looks as though the coveted rowing trophy is going across the channel.

# **EUREKA MINERS** DEFEAT OGDENS

Game Was a Fast One, and Almost Devoid of Errors.

HONORS ABOUT EVEN BETWEEN THE PITCHERS

Score Is Six to Two, in Favor of the Eureka Players.

Special to The Tribune

EUREKA, July 4.—The Eureka and Ogden teams played almost errorless ball here this afternoon, and the visitors were defeated by a score of 5 to 2. The Miners outplayed and outbatted their opponents throughout the game, and it was the timely hitting that gave them a victory. Honors were about even between the trayes and Blexrud, the two pitchers, although the former had a shade the better of the argument. Graves has been out of a sick bed only two days and the local fans were surprised to see him in the box, and they were more surprised to see him pitch the beautiful grade of ball which went a long way toward giving Eureka a victory.

One Run in First. Special to The Tribune

#### One Run in First.

Ogden got one run in the first. After Gimlin had been put out at first. Bluth hit safe, but was forced out at second on Taylor's fielder's choice. Hopking then dumped the ball over short and Herne's timely hit scored Taylor. After this the Lobsters were shut out for six successive innings, although they came very near scoring in the seventh, when Taylor and Hopkins, the first two men up, connected with the ball for safe ones.

A fast double by Johnson, Newell and

ones.

A fast double by Johnson, Newell and King put Hopkins out at second and Herne at first, and then North struck out and retired the side. Graves allowed Bluth and Taylor to walk to first in the ninth, and then Hopkins's drive to first was handled by Billy King. Herne was next put out at first, but in the meantime Bluth scored. Noah, who was the next man at bat, fell an easy victim to Graves's curves, ending the game.

game.

Clever batting and base running gave Eureka three runs in the third inning. Newell walked and Lumley sacrificed. Bluth's failure to cover first allowed Lumley to reach that base in safety. Graves then walked filling the bases.

Johnson sacrificed and Newell scored while Wall's timely hit brought in a couple more runs. In the fifth, with one out. Johnson and Wall singled and then both scored upon a two-bagger by Northrop, who in turn came home upon a beautiful two-base hit by King.

These four hits were all well placed and it looked as if Blexrud was going to get his bumps. But during the balance of the game he allowed but one safe hit. Today's game was one of the best that has been witnessed here this season. The score follows.

RIDERS CATCH SPIRIT OF NATION'S BIRTHDAY

Celebrate Fourth of July by Making Three New Records.

Bicycle enthusiasts that filled the saucer rim and overflowed into the arema witnessed last evening's holiday race meet. If the spectators were there in gala attire, the same is no less true of the riders, who seemed to have the do or die spirit that is inherent in the nation's birthday, and sent three records glimmering. The feature event was the five-mile professional. It was a feature not so much because Lawson won and smashed a record, but rather because little Norman Honor beat out floyd McFarland in one of the pretilest finishes ever seen on the saucer track. The entire race was made lively by the various combinations trying to get their plans in action.

About the middle of the race, Samuelson, Pye and others tried to steal a march on the bunch, but failed so dismaily that McParland turned a sickly grin toward Sam as ne closed up the gap made with such effort. Straightway Bardgett and Williams went out, and some lively riding was done hefore they were overtaken. In fact, the riding was so lively that McParland forget to pick out a nice position for the finish. The bell found Homer leading the bunch Lawson close after him, and McFarland a little farther behind. On went the riders and from the clip, it was evident that a new record was being made. On the final lap, Lawson let out his sprint and passed Hopper, but not without an effort. McFarland worked his long legs like pistons-ods, drew up on Hopper, but the latter was trayeling and the back curve found McFarland still working to close the gap. As they came around the stretch, both pedaling like demons. McFarland closed in, but Hopper held his lightning clip, and down the straightaway they came, working every muscle in their bodies. In admiration the great crowd rose to its feet and as Hopper shot over the tape a rim to the good the bodies. In admiration the great crowd rose to its feet and as Hopper shot over the tape a rim to the good the crowd burst forth with applause for the plucky rider who not only dared to fight McFarland, but beat him. Downing was fourth. The time of \$1.56 breaks the former record of 10 23 2-5.

## Catch Scratch Men.

Catch Scratch Men.

The three-mile lap handleap, amateur, was an amusing race. The scratch men got into a quarrel about the pace, and loafed until Schneil and Crebbs, two of the handleap riders, caught them. Even if the scratch men had worked together, as is their custom, they would have had to do some fast traveling to overtake the distance men, who rode a magnificent race. Schnell, with a handleap of '110 yards, was first; Crebbs, 140 yards, second, Wright, 140 yards, third; King, 150 yards, fourth, and West, 180 yards, fifth. Hume and Berryessa went down in a spill and the latter received a rather severe jolt. Time, 6-196.

McFarland Beats Lawson.

## McFarland Beats Lawson.

McFarland captured the one-mile bay dicap, professional. Lawson cooked himself chasing down the handicap men and on the final soriat Floyd shot around him just as Lawson so frequently does around McFarland. On the last curve Lawson spilled, but this was after both Hopper and McFarland had passed him Eardgett was third. Wilcox, fourth, and Burris, lifth. The time of Fi51 breaks the track record of 1:55.

In the quarter-mile open, amateur, Hume got a noor start and his inveterate rival, West had things his own way. McCormick was second. Hume, third, and Giles, fourth, Time, 20:2-5.

# Lawson Breaks Another Record.

In the one-quarter-mile record trial all the professional riders made an attempt to lower Samuelson's record of 24 seconds for the distance. Lawson was the only rifler who succeeded. He made the distance in '23 4-5, and there made the distance that in case of necessity the Swede can even better this mark. Downing Samuelson and Forler ited for second, third and fourth places, all covering the distance in 24 2-5 seconds.

#### Blues Defeat Whites.

Blues Defeat Whites.

An interesting game of socker football was played at Lagoon yesterday afternoon by the Blues and Whites, two picked teams made up of players of the Salt Lake club and some stars from Eureka. At the conclusion of a very spectacular game the score stood four goals to two in favor of the Blues. The long grass at the extremities of the field interfered slightly, but in the open space some beautiful combination plays were executed.

Yesterday's game was in the way of a practice for July 14, when the members of the Salt Lake Football association will hold forth at Lagoon in force.
